Enhancing Human Rights Application in Ombudsman Practice

How can a human rights approach change the way an Ombudsman handles a complaint?

Join the African Ombudsman Research Centre (AORC), the research and training arm of the African Ombudsman and Mediators Association (AOMA), and the International Ombudsman Institute (IOI) to explore how human rights standards can guide investigations, shape recommendations and help secure effective remedies.

Date: Tuesday, 08 December 2026
Time: 10 am (GMT+2)
Duration: 1 hour and 30 minutes

Key Topics:

- **Human Rights Standards for Ombudsman. Identify which human rights standards apply and how they can guide the assessment of a complaint.**
- **Applying Rights-Based Approaches to Cases. Use a human rights lens to identify who may have been excluded, what barriers they faced, and what evidence to gather.**
- **Monitoring, Redress & Remedies for Rights Violations. Recommend remedies that address the harm, follow up on their implementation, and help prevent similar violations.**
